

# LearnPath

Set your students  
on the path to learning  
excellence with LearnPath

# START HERE!

“LearnPath is a one-stop-shop that acts like a springboard  
for our students to get started on their research”

LAUREL BALL, CURRICULUM MIDDLE LEADER - ELEARNING, ASSISI CATHOLIC COLLEGE

LearnPath makes it simple to organise, publish and share curated educational resources and comes with over 300 ready-made content pages.

## Key benefits of LearnPath

A “one-stop-shop” to guide students to relevant, high quality learning resources on a subject or topic

Immediate access to an extensive library of ready-made content pages produced by experienced teacher librarians

Ability to **collaborate and share content** between LearnPath users

Leverage the **expertise** of your library staff and maximise the use of your resources

### More reasons your staff and students will love LearnPath

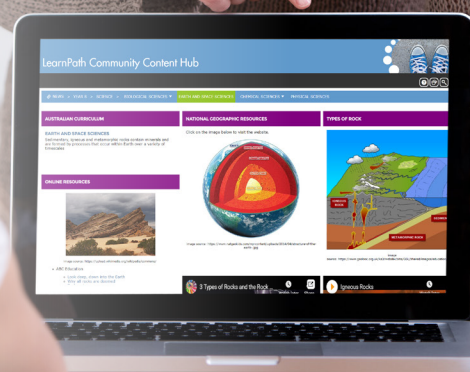

- ✓ Embed digital and interactive resources, catalogue sliders, reading lists, search widgets, and other online content
- ✓ Easy to use – no HTML or coding skills required
- ✓ Flexible structuring of content with an unlimited number of guides and levels within the hierarchy
- ✓ Fully web-based and integrated with your Oliver v5 library software
- ✓ Access to Softlink’s world-class support via email, phone or online customer portal
