

Engage your whole school community, enable better learning and research outcomes, and enhance your students' digital experience, anywhere, anytime with the Oliver v5 school library system.

### engage

your school community with interactive features and tools to promote your school library

### enable

learning with easy to use search and access to curriculum resources

### enhance

user experience with recommendations, drag and drop functionality, and more

*"The look is more modern and changeable. Searching is easy."*

*Anette Ainsworth,  
Head of Library,  
Hale School, AU*

*"Oliver v5 is very easy for our pupils to use, they can find books and resources so much more quickly from anywhere in the school."*

*Sue Wray,  
Director of Library &  
Learning Resources,  
Uppingham School, UK*
