RENAISSANCE®

Oliver v5

Softlink
Accelerated Reader Integration

Oliver v5 integration with Accelerated Reader automatically highlights the titles in your collection that have Accelerated Reader enrichment. This means your students can quickly access and utilise your Renaissance subscription directly through your library system.

With this automated process, you can link your catalogue to Accelerated Reader fields such as, Quiz Number, Points, Topics, and more!

- Increase use of Accelerated Reader by making it easy for students to search for and borrow books (physical and eBooks) with Accelerated Reader enrichment.
- Increase engagement and reading by helping students to access books at appropriate reading levels, engaging them with the texts through quizzes, and assigning points for books read.
- Save time – no manual data entry! All the information from Accelerated Reader will automatically be added to Oliver v5.
- Quizzes are accessible from your Oliver v5 OPAC.
- Advanced search in Oliver v5 makes it easy to locate titles based on Accelerated Reader fields.
