

ACT school libraries share: Library staff qualifications

In the 2021 Australian School Library Survey, we asked participants about the qualifications held by staff in their school library.

9% of respondents from the ACT reported that no staff in their library had school library related qualifications, 39% reported that they had more than one qualified staff member in the library, and 9% reported that they have a library member currently studying.

The percentage of schools that reported at least one person in their library with a specific qualification is shared below.

57%

of participants reported at least one person in their school library has completed a

Masters of Education
(Teacher Librarianship)

19%

of participants reported at least one person in their school library has completed a

Bachelor of Librarianship

16%

reported having a least 1 qualified

Library Technician

working in their school library

Other reported qualifications include:

9%

Cert III Library and Information Services

7%

Diploma of Library and Information Services

Certificate IV Library and Information services

5%

Masters of Information Management

Bachelor of Education

Bachelor of Information Studies
