

# VIC school libraries share: Library staff qualifications

In the 2021 Australian School Library Survey, we asked participants about the qualifications held by staff in their school library.

26% of Victorian respondents reported that no staff in their library had school library related qualifications, 33% reported that they had more than one qualified staff member in the library, and 6% reported that they have a library member currently studying.

The percentage of schools that reported at least one person in their library with a specific qualification is shared below.

23%

reported having a least one qualified

Library  
Technician

working in their school library

22%

of participants reported at least one  
person in their school library has  
completed a

Master of Education  
(Teacher  
Librarianship)

19%

of participants reported at least one  
person in their school library has  
completed a

Diploma of Library  
and Information  
Services
